Birthday Party Guest List

Due to the increased number of visitors to our Aquatic Center we are asking all party participants to provide a guest list to ensure your party guest will be allowed admittance into the pool area. Please remember to include the four adults that you would like to add to your party as they are a requirement to host a party at the facility for children 7 and up.

Birthday Pool Requirement: Every child 6 and under is required one adult per child actively participating in the water at all times. Children 7 and up must have 1 adult for every 4 children in the surrounding pool areas.

If you plan on inviting more than 10 children to a birthday party, please be aware that the maximum number of participants allowed per party is 24, which include all children and parents. Any additional person after 10 children and 10 adults will be charge \$5 per person.
